Instructions for sample order of cancellation:

To cancel an election, the governing body must first receive and accept the certification that all candidates in the election are unopposed from the authority responsible for preparing the ballot. In a city election, the certifying authority is the city secretary. In other elections, it is the secretary of the political subdivision's governing body or, if the governing body has no secretary, the presiding officer of the governing body. The Secretary of State's Certification of Unopposed Candidates form may be used or the authority may create its own certification form. The cancellation order/ordinance must be adopted in an open meeting. The candidates are not required to be present. Certificates of election should be prepared for each unopposed candidate; however, the certificates of election should not be issued until Election Day.

Candidates must wait until on or after Election Day to take the oath of office. Candidates may complete the Statement of Elected Officer prior to Election Day. The Statement should be kept locally; it does not need to be sent to the Secretary of State's Office.

Copies of this order/ordinance must be posted on Election Day at each polling place that would have been used had the election not been cancelled.

An election may be cancelled if:

- 1) Each candidate (for full or unexpired terms) whose name is to appear on the ballot is unopposed;
- 2) The election is one in which a declaration of write-in candidacy is required; and
- 3) No proposition is on the ballot.

In an election in which any members of the governing body are elected from single-member districts, an election in a particular district may be cancelled if the candidate is unopposed and the election otherwise meets the above requirements (i.e., there is no at-large candidate opposed on the ballot and/or no proposition). The election would continue in the normal manner for the remainder of the political subdivision.
