PROPOSED AIR QUALITY PERMIT NUMBER 152092L001

APPLICATION. Collier Materials, Inc., has applied to the Texas Commission on Environmental Quality (TCEQ) for Issuance of Permit 152092L001.

This application would authorize construction of a portable crusher. The applicant has provided the following directions to the site: from the intersection of Highway 71 and Farm-to-Market Road 2233, travel approximately 1.3 miles east on Highway 71 to the site entrance on the north side, Sunrise Beach Village, Llano County, Texas 78657. This link to an electronic map of the site or facility's general location is provided as a public courtesy and not part of the application or notice. For exact location, refer to application.

<http://www.tceq.texas.gov/assets/public/hb610/index.html?lat=30.568194&lng=-98.464583&zoom=13&type=r>. The facility will emit the following contaminants: particulate matter including particulate matter with diameters of 10 microns or less and 2.5 microns or less.

The executive director has determined the application is administratively complete and will conduct a technical review of the application.

PUBLIC COMMENT/PUBLIC MEETING. You may submit public comments to the Office of the Chief Clerk at the address below. The TCEQ will consider all public comments in developing a final decision on the application. A public meeting will be held and will consist of two parts, an Informal Discussion Period and a Formal Comment Period. A public meeting is not a contested case hearing under the Administrative Procedure Act. During the Informal Discussion Period, the public will be encouraged to ask questions of the applicant and TCEQ staff concerning the permit application. The comments and questions submitted orally during the Informal Discussion Period will not be considered before a decision is reached on the permit application and no formal response will be made. Responses will be provided orally during the Informal Discussion Period. During the Formal Comment Period on the permit application, members of the public may state their formal comments orally into the official record. At the conclusion of the comment period, all formal comments will be considered before a decision is reached on the permit application. A written response to all formal comments will be prepared by the Executive Director and will be sent to each person who submits a formal comment or who requested to be on the mailing list for this permit application and provides a mailing address. Only relevant and material issues raised during the Formal Comment Period can be considered if a contested case hearing is granted on this permit application.

The Public Meeting is to be held:
